DISCOVER THE RIQUET'S TERRACES

Besides the Baron Jouglu Paraza, and the Count Forton, the engineer Paul Riquet was also a frequent visitor during the construction of the Canal.

To thank his hosts for six years of hospitality, Paul Riquet built seven terraces that cascade down to the Canal du Midi and give a glimpse of an ancient French garden with marble fountains and boxwood.

THE SWIMMING-POOL

In the shelter of the cloister surrounded by marble pink columns from Caunes, it is great to take some time to relax alongside the swimming pool, sip a glass of wine and admire the view.

LUXURY LIES IN SIMPLICITY AND ELEGANCE, A WARM AND FRIENDLY WELCOME AND A CAREFUL ATTENTION TO EVERY SINGLE DETAIL. WE PUT OUR HEARTS TO PRESENT THIS UNIQUE HERITAGE OF WINE AND HISTORY BY OFFERING PREMIUM WINE TOURS FOR THE DEMANDING TRAVELERS OF THE WORLD..

A ROYAL WINERY

There could not be more emblematic of a travel in destination of Sud de France than an oenological step in the cellar of the Chateau de Paraza.
A real pleasure for lovers of history, nature and wine.

THE CHATEAU DE PARAZA REPRESENTS THE GUARDIAN OF TRADITIONAL WINE MAKING. WITH LOVE AND RESPECT FOR THE ENVIRONMENT, THE DANGLAS FAMILY GROWS 75 HECTARES OF VINES ON THE SLOPES WITH CHALKY-CLAYEY SOILS. THE GOAL IS TO BEST EXPRESS THE TERROIR MINERVOIS.

THE WINES ARE ELABORATED TO BE RICH, FRUITY AND FULL-BODIED WITH A NICE BALANCE BETWEEN STRENGTH AND FINESSE.
THEY ARE APPRECIATED WORLDWIDE.

DATING BACK TO THE 18TH CENTURY, THE WINERY GIVES A LASTING IMPRESSION. FROM THE TASTING SPACE, WE CAN GLIMPSE AT THE PARK WHERE GREEN OAKS AND ALEPPO PINES MAKE YOU FEEL OUT OF TIME. INSIDE, WE APPRECIATE THE CELLAR, COMBINING TRADITION AND MODERNITY, CEMENT AND STAINLESS STEEL VATS, AND A WINE-AGEING ROOM WITH OAK BARRELS. IN THE GLASS, GLORY UNION OF SYRAH, GRENACHE AND MOURVEDRE FOR THE REDS, OR ROUSSANNE AND WHITE GRENACHE FOR THE WHITES.

PASSION FOR WINE

Proud of our 100 meters long winery, we like to share our passion for wine-making and for the specific Languedoc terroir. Walk through the vineyard, visit the cellar, taste the wines, from the vineyard to the cellar all the secrets of the wine will be revealed.
